Vision Statement

The vision statement of Scoil Fhiachna, Glengarriff, promotes the development of the child to include academic, physical, moral, emotional, spiritual, aesthetic, cultural, social and personal development and thereby enabling the child to see himself/herself as a unique individual who presents himself/herself as an active and responsible member of society.

Mission Statement

Scoil Fhiachna, Glengarriff, is a co-educational, Catholic Primary School under the patronage of the Bishop of Kerry, which strives to provide a well-ordered, caring, happy and secure atmosphere where the intellectual, spiritual, physical, moral and cultural needs of the pupils are identified and addressed.

While Scoil Fhiachna, Glengarriff is a Primary School with a Catholic ethos, it also has due recognition for all other religions and cultures.

Our entire school community's focus is on the children and we work harmoniously for their education and well-being.

When our pupils leave us, they will have achieved their potential in literacy and numeracy and utilise these skills to pursue further learning and become an active member in society.

The children will be enabled to make moral judgements based on their Christian values, human rights and their own conscience that will contribute to a caring, tolerant, accepting society.

We will foster healthy attitudes to fitness and nutrition and encourage healthy habits that will enable them to reach their full physical potential.

We will encourage the involvement of parents through home/school contacts and through their involvement in the Board of Management and the Parent's Association.

To foster in the pupils that with every right there is a corresponding responsibility.

To endeavour to enhance the self-esteem of everyone in the school community.

To promote gender equity amongst the teachers and pupils.
